FOREWORD

Ray Baltz
56-

The growth of a school is as fascinating as the development of a community. All of us Students at Sunnyslope have shared and are still sharing in the many processes and problems involved in establishing the tradition and reputation of a fine new high school. If our guiding lights continue to be unselfish devotion and genuine helpfulness, we may look forward to watching Sunnyslope High take its rightful place in the established ranks of America's great schools.

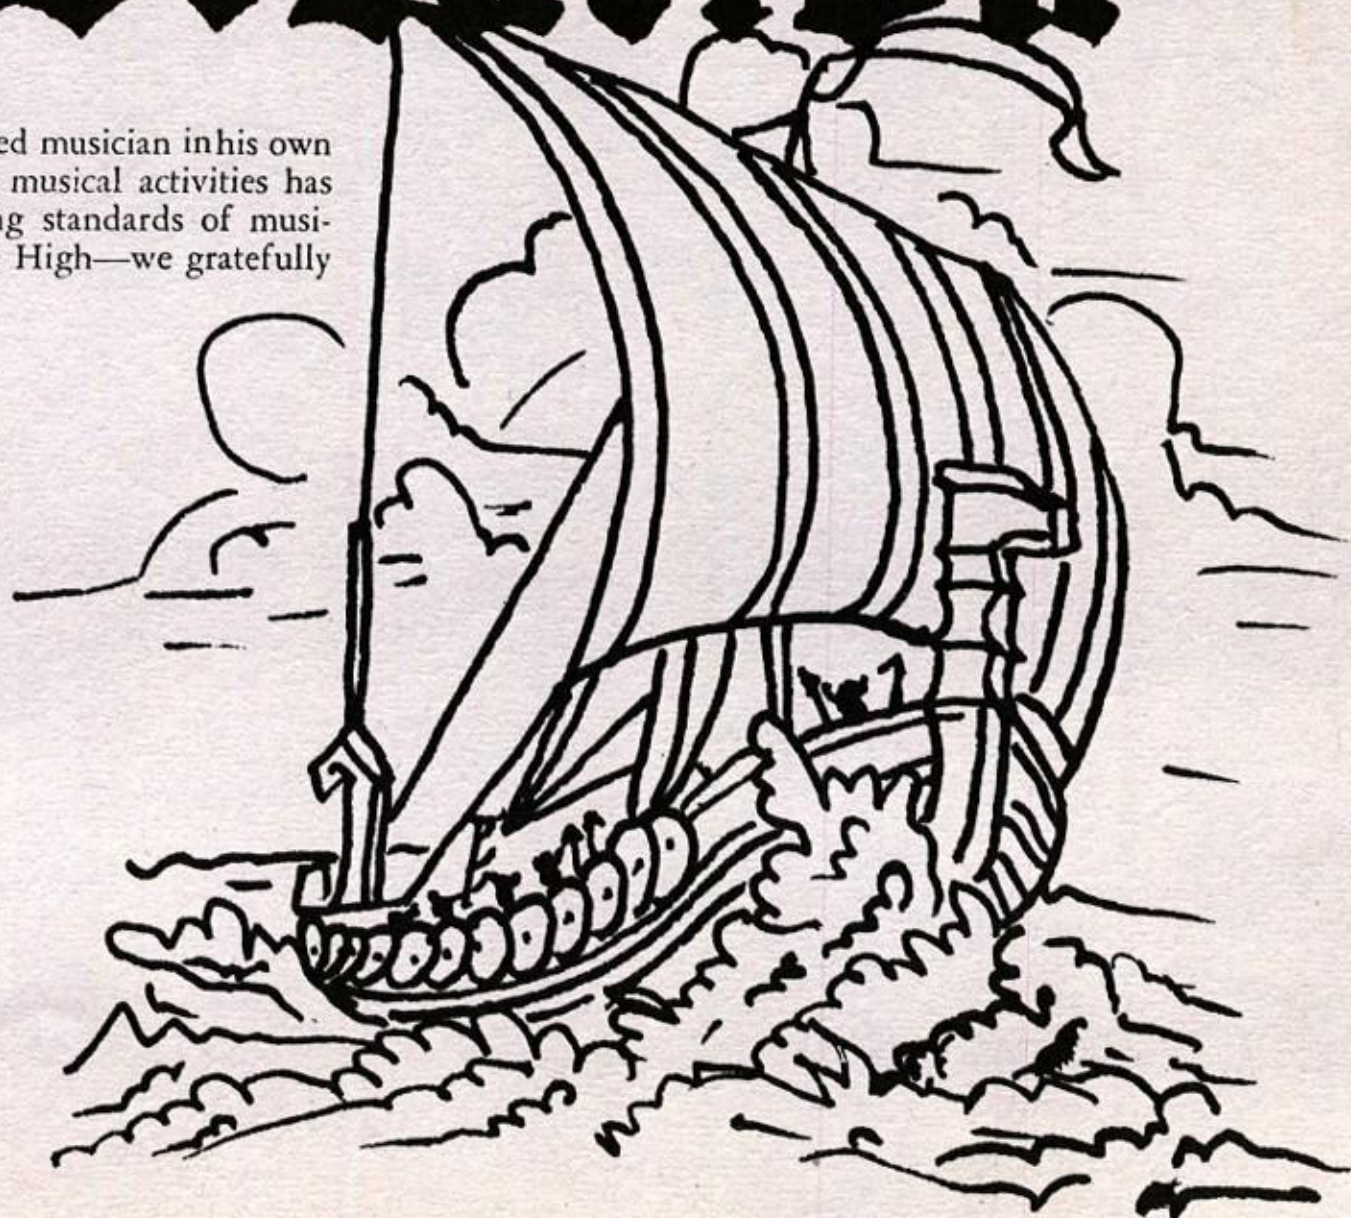

Ray - a guy that I had a
lot of fun with in Boy Choir
Mike Hale

Lots of luck
Ray. Be good
this summer.
Ken R.

Dedication

To Mr. Pat Curry, a talented musician in his own right, whose leadership in our musical activities has resulted in constantly improving standards of musical achievement for Sunnyslope High—we gratefully dedicate this book.

Like the Vikings of old she, too, crossed the broad Atlantic—not, however, as a skeptical explorer but rather as an enthusiastic exchange student, chosen by the American Field Service to spend her Senior High School year with us here at Sunnyslope. Because she is a symbol not only of world friendship but of sparkling personal good fellowship we, the students of Sunnyslope High School have been pleased and privileged to welcome as our first foreign exchange student, Ingrid Naumann.
